<b>Comments</b>	<input type="text" value="We have already previously objected to this development. We would like to add our further concerns about the damage done to the immediate area surrounding the current 2 house development next to the proposed site as well as the abuse hurled at my husband whilst walking our dog by the builders. It is completely inappropriate for that kind of culture to exist in today's society. The road access in that area means that adding more traffic is dangerous to walkers and cyclists - the speed at which the builders drive down Foxden Way at 7.50am to get to work is excessive and often means me jumping into the hedge with my dog."/>
