| <b>Comments</b>           | <input type="text" value="As commented previously on the original application, which has since been modified. Whilst I am supportive of the provision of affordable housing, I object to this planning application on the following grounds: - inappropriate extension of village boundary/infringement of green belt; - lack of local infrastructure facilities, eg transport services, amenities; - inadequate services, eg drainage; - unsuitable location, with restricted/limited road access. I am very concerned with the overall approach to housing development, which from experience within the village, appears to rely on a process of 'planning creep'."/> |
