Subject: New comments for application 21/00922/OUT

New comments have been received for application 21/00922/OUT at site address:
Land West Of Foxden Way Great Bourton
OX17 1QY

from john hutton

Address:
12 Valley View, Great Bourton, Banbury, OX17 1QJ

Comment type:
Objection

Comments:

I would like to object to this application. i have great concerns about the merging of Banbury to our village. both seem to be expanding at alarming rates. Eradicating countryside, increasing traffic and affecting wildlife and local communities.

Foxden way is a small country road which is used by walkers and riders within the community, which would be ruined by adding on my house outside the boundary line of the village

Building work in the village has been nonstop for about 4 years with Garners filed and the house at the paddock

please stop destroying our countryside around our village and restore the support and faith in the people of the village who feel the CDC are agreeing to so much building work for money and greed.

Building outside of the boundary of the village will open the village to more to building applications, and the village will be lost to the expanding Banbury. As a village we have already had the expansion of Garners field, and does not have the infrastructure to sustain more traffic, people or building disruptions.

The village should be conserved and protected, and so should the surrounding lands.
