Comments	<p>As a resident for 30yrs I object. Increased traffic. 9 houses with at least two cars per household. Plus delivery vans. These means there will be constant flow of traffic. Potholes and verges are being churned up. This is a single track lane in constant use of residents of both Little Bourton and Great Bourton. Horse riders, dog walkers, young children learning to ride their bikes. As did my children and my grandchildren too. This was their 'save' route to walk to their great grandparents who live in LB. There is no public transport. We have no need for further developments as there are new builds on the Southam Road and more currently being built . I would love my sons to be able to return to the village as would all the kids who grew up here. But not if it means destroying all that they enjoyed and still enjoy with their children. Garnier Fields has already increased GB. Driving past/into the village Garnier fields look like all the other new builds . Dont belong in a village. An orchard and play area/recreational/for residents would be a fantastic idea.</p>
