Development

Date of Decision: 31st May 2022

Checked by: Alex Chrusciak

REASONS FOR REFUSAL

1. The proposed development would be unacceptable in terms of its landscape impact. It represents an urbanising form of development which by reason of its scale and location would result in an isolated cluster of dwellings poorly related to the existing village, would adversely impact the rural setting of the village and would result in a harmful visual intrusion of development into the landscape and open countryside, and would therefore result in harm to the rural character and appearance and quality of the area. This identified harm would significantly and demonstrably outweigh the benefits of the proposal particularly the provision of First Homes, to which significant weight is attached. The proposal is therefore contrary to Policies ESD13 and ESD15 of the Cherwell Local Plan 2011-2031 Part 1, Saved Policies C8 and C28 of the Cherwell Local Plan 1996 and Government guidance in the National Planning Policy Framework.
2. The proposed development would be sited in a geographically unsustainable location with poor access to services and facilities and therefore future residents would be highly reliant on the private car to meet their day to day needs which would not reduce the need to travel and would result in increased car journeys and hence carbon emissions. The proposed development would therefore conflict with Policies ESD1 and SLE4 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance in the National Planning Policy Framework. This identified harm would significantly and demonstrably outweigh the benefits associated with the proposed development and therefore the development does not constitute sustainable development when assessed against the National Planning Policy Framework as a whole.

PLANNING NOTES

STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, Cherwell Council has given consideration to whether amendments or additional information would overcome its concerns with the application, but unfortunately it has concluded that it would not be possible to resolve those concerns within the scope and timescales of this application. Cherwell Council has resolved that the application proposals do not amount to sustainable development and consent must accordingly be refused.

The case officer's report and recommendation in respect of this application is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>. The agenda, minutes and webcast recording of the Planning Committee meeting at which this application was determined are also available to view online at: <http://modgov.cherwell.gov.uk/ieListMeetings.aspx?CIId=117&Year=0>

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

NOTES TO THE APPLICANT

REFUSAL OF PERMISSION

The Local Planning Authority has refused consent for the reasons set out in the schedule forming part of this notice of refusal. A further explanation of the reasons for the decision can be found in the planning officer's report, which can be viewed in Public Access via the council's web site.

If you wish to examine any of the development plans which set out the Local Planning Authority's policies and proposals for the development and use of land in its area, these are available for inspection on our website, or at the District Council offices, Bodicote House, Bodicote, during normal office hours.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse the application, you can appeal to the First Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then you must do so within six months of the date of this notice. Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel 0303 444 5000.**

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted permission or approval for the proposed development, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State refuses planning permission or approval for the development of land, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
