**Importance:** High

Dear Mr Pecford

Many thanks for writing to me about the Hatch End Development in Middle Aston.

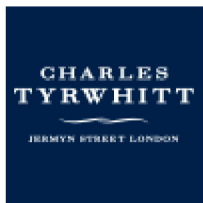

I attach my objections in the letter above, but in summary this unsuitable scheme:

- 1) Will cause disastrous transport issues in both Steeple Aston & Middle Aston
- 2) In doing so threatens the safety of the children at Dr Radcliffe's School
- 3) As people Work From Home the need for such premises is almost non-existent

See an article from the Times 20<sup>th</sup> April 2021 outlining the death of Business Parks. Please show some common sense. Many thanks.

Yours sincerely

Peter Higgins
