Hi James,

I am commenting on the above application from an arboricultural aspect.

I have studied the plans and the Arboricultural report;

Proposal – Construct replacement buildings

Please note my observations:

1. I am happy with the submitted arboricultural report and there are no tree related issues
2. On approval a condition should be applied to follow the Arboricultural Method Statement and Tree Protection Plan with site and monitoring report sent to the tree officer.

Regards

Patrick
