Comments	<input type="text" value="Good afternoon. I am a member of staff at Dr Radcliffe's Primary School, Fir Lane, which neighbours the Old Poultry Farm. I have worked at the school for 14 years, but have been coming to the school as a parent since 2001. I am gravely concerned at the proposed development of the site concerned. I frequently have to meet children from our school bus and witness the immense congestion outside the school grounds and the weight of traffic at each end of the school day. I also walk to and from Duns Tew and am aware that the local roads would not support construction traffic during the development of the site, or traffic as a result of the development. I personally feel any such development and the traffic associated with each stage, would add to the precariousness of an already dangerous situation and that an accident would be inevitable."/>
