Comments	<input type="text" value="My wife and I are particularly concerned about the proposed redevelopment for two main reasons. Firstly that the increased traffic particularly in the morning may cause a risk to our young children who both attend Dr Radcliffes School and either walk or cycle to and from the school and our home in Middle Aston. Secondly that the development will join both villages together. Prior to its existing use the site was used to rear chickens etc with no intention of ribbon development but if it were to be significantly redeveloped it will join the two villages. I strongly oppose this redevelopment."/>
