Hi Emma,

From desk based assessment.  
Comment – Objection subject to further information.

The proposal does not appear to give reference to the trees north of the existing dwelling. The proposed extension is expected to offer significant short term impact to the trees, likely requiring their removal in order to facilitate the proposal.

Confirmation is required if trees are scheduled for removal or retention, I may need further information for review following this confirmation.

Kind regards,

**Iain Osenton**
