Comments	<input "="" type="text" value="Noise- it's already unbearably loud when they have their visitor days and vintage cars are racing around a small circuit, heaven knows what it will be like with a full circuit racing for hours every day. Also the traffic, visitors cars already use the Caversfield estates as a rat run when leaving the airfield from visitor days, and as an occupant of the estate, it's impossible to get out of the estate because of the queues to the airfield,"/>
