Objection

**Comments:**

My family have lived at Field Farm since 1963. This proposal makes my heart sink. Stratton Audley has, so far, managed to remain mostly unscathed by excessive development and has a proper village community and all that comes with that. This development brings Bicester just a field away from Stratton Audley with the inevitable slippery slope of future development. There needs to be a boundary around either Bicester or Stratton Audley beyond which it's not permitted to be developed in order to preserve our beautiful Oxfordshire villages. There is already too much traffic going through Bicester (this site is the other side of Bicester from the M40) and congestion during the times when events happen at Bicester Heritage. I do hope that this will not be used as an excuse for further infrastructure in Bicester. For those of us who've known Bicester from many years ago, it's incredibly sad to see what it's become.
