Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I support the comments and concerns expressed by Stratton Audley Parish Council but would also like to add- The effect this proposal will have on the abundant wildlife currently thriving within the adjacent quarry. This is home to Snipe, Owls, Bats, Hares, Deer and much more. The additional traffic, noise and general disruption will have a significant impact on these creatures. Have the appropriate environmentalists been notified about these proposals?"/>
