Comments	<input type="text" value="I would like to object to this planning application because of noise, air pollution and traffic congestion that will inevitably be worse if this is given the go ahead. I live in Turnpike Road, Caversfield and on race experience days the screeching noise as the cars go around corners is deafening. Also the air pollution is a concern, on scramble days, the exhaust fumes from the classic cars that visit is horrible, I do a lot of walking and it is very unpleasant to inhale. The roads surrounding Bicester Heritage are already so busy, we don't want more traffic in the area, scramble day events are horrific. Many thanks"/>
