Comments	<input type="text" value="My mother Mrs Joanna Pigott lives at 9, Cherwood House Gardens OX27 8QA and is already experiencing constant noise from the new owners of the airfield. This is because they now have planes taking off over the residential areas. I believe Bicester Motion purchased the airfield to preserve the airfield so how does a racing car track do that?! Cherwood House includes sheltered accommodation as well as a Care home etc Sadly some residents are in the last stages of their life. In the surrounding area there are a number of other care homes and the residents of all of these would be adversely affected by the commotion and noise created by a racing track."/>
