Address	<input type="text" value="11 Turnpike Road,Caversfield,Bicester,OX27 8UP"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I am writing to object this application. Having recently moved to the area for it's peace and tranquility, this application would make Caversfield a completely different estate to live on. We already hear the loud screeching of the vehicles going around the track, which I am happy to put up with for it's occasional use but it would make it very unpleasant to live here if this was approved. Not to mention the air pollution which would affect many of the older and younger residence of the estate. It's location is also based on one of the main roads into and around Bicester. If large events are approved to go ahead it would affect traffic all around the town. It would also have a great affect on parking and likely that Skimmingdish Lane would be overrun with vehicles. Overall I think the plans are too large for the infastructure for Bicester and too close to residential housing."/>
