Comments	<input type="text" value="We moved here back in 1982 to which this was a very nice and quiet environment. There was no Coopers GReen Southwold was started to be developed and in all it was still peaceful and quite. Since the Heritage moved onto the area it has been nothing but a noisy and very busy road and worse when they have a function on at weekends. We do not want or need any more noisy racing cars thundering around the track at weekends disturbing our sought after piece. The gliders when they were there was lovely and peaceful not disturbing any one but we certainly don't want the drone of cars especially at weekends disturbing our peace and tranquillity. So PLEASE DO NOT ALLOW THE PLANNING PERMISSION."/>
