Are house prices negatively impacted? - If so will a compensation package be offered. 2. Noise is already a problem but just about tolerable - the increase and regularity of noise will now be extremely concerning. 3. Even now with the existing traffic and proposed increase should this go ahead (unfortunately these things tend to go ahead no matter what?) high level sound proofing around the airfield and Caversfield Housing is needed. 4. Traffic and the associated pollution is a major concern. 5. Still don't understand that how this was contractually sold and the remits that did or should have gone with it - " was="" wasnt="" what="" what's="" who="" why=""/> |
