Comments	<input type="text" value="As a resident of Caversfield, and only minutes away from Bicester Heritage, I am concerned about the inevitable increase in air and noise pollution that would result from these plans being approved. There would also be an increase in traffic congestion to the Buckingham Road, which is already a busy route. I use this road every day to get to work and to get my children to work and school. This would add on journey time, but I am most concerned about the rise in pollution."/>
