Comments	<input type="text" value="I am in direct opposition to this plan. We live directly across from the flying field which is already noisy from the current tracks to the point where we are no longer able to sit out and enjoy our garden without the track noise. Additionally, the added traffic will cause the roads to be gridlocked on event days (and even if not). The roads are barely able to contain the current traffic levels at busy times, and would not be able to bear it with additional cars. On top of all of this, it will considerably and detrimentally affect the house prices in our neighbourhoods and make selling a difficult task. PLEASE DO NOT APPROVE THIS PLAN."/>
