Comments	<input type="text" value="We really object to the racing tracks proposed we think the noise will be intolerable. We would never have moved to this location if we had known this was going to happen. Feel we will be unable to sit in our garden when the racing is happening. Also our house will be difficult to sell if we decided we wanted to move somewhere else. I suspect its already been passed by the council!! Like Bicester sports ground. If it does go ahead I think sound barriers should be erected which they have near motorways."/>
