<b>Comments</b>	<input type="text" value="I strongly disagree to this application. As a Caversfield resident of 17 yrs, this will cause such a huge impact on traffic, noise, &amp; de-value the houses. Where are all the people going to park on event days? They struggle with the traffic flow, on there Sunday scramble dates &amp; vaccine days now!! As if bicester isn't bad enough for traffic!! Bicester village causes awful traffic at the south of bicester &amp; this will jam up the North end as well! I for one get woken by the noise of screeching cars going around the already make shift track on certain mornings! 7 days a week is going to be hideous! Living by such a place is not going to be an asset or enjoyable in the slitest!! The air field is a piece of history not a race track. We already have Silverstone, leave it to them, where it is already set up, &amp; equipped for such events."/>
