<b>Comments</b>	<input type="text" value="I live just slightly opposite this airfield and having put up with the noise from previous events I find it shocking that you will potentially pass the application to allow this noise 7 days a week , it has previously distrusted my daughter when studying for exams and any time in the fixture to enjoy your garden (having worked seriously hard to pay the mortgage every month I as many others will no longer. Be able to enjoy our gardens or indeed our homes and this is before the terrible traffic situation kicks in , a lot of near misses(won't always be a miss !) at the exit from airfield onto Buckingham road, truly shocking Also has the potential to devalue our home , so all in all I do object to this proposal, compromise which occasional testing pls"/>
