Subject: New comments for application 21/01505/F

New comments have been received for application 21/01505/F at site address:  
Stone Hill House Stone Hill Bloxham Banbury  
OX15 4PT

from Michelle Troops

Address:  
4 Brickle Lane,Bloxham,Banbury,OX15 4NL

Comment type:  
Objection

Comments:

As part of bloxham schools master plan this really is unbelievable that the school feel no impact would be made on the village is laughable. The village already suffers on many levels thanks to bloxham school : Traffic , safety, noise pollution, then there is the times when the school is shut to its students but opened up for other sport based summer schools to use and fill up the village. Stone hill is already a bottle neck and traffic along main bloxham to chipping Norton road is also already too busy and a hazard as the school has all there delivery's dropped off on main road then their is bloxham school cafe also adding too the traffic situation even though they assured the council that no one would be parking outside of cafe that would be parking in the school car park that has never happened. Most of the master plan including this plan affect protected buildings and areas for everyone's benefit but bloxham school don't care about the residents of this village as we are constantly being told when each issue arises. " the village should be grateful that bloxham school is here " if that doesn't put people's back up enough the complete lack of respect or notice for the residents regarding this master plan does. Occ seem to pander to the schools every whim I'm sure if one of the residents built something and then put in for planning permission heads would roll but not bloxham school. Disgusting behaviour from school lack of respect for anything and anyone and wouldn't know how to tell the truth if it jumped up and bit them but no doubt like everything else they want they will probably get permission for this too
