Subject: Sone Hill House Extension Ref.21/01505/F

I would like to place my objection to the above planning application.

As you look from Bloxham High street up stone Hill you can still appreciate the beauty of the buildings surrounding this conservation area.

The traffic along the high street is unmanageable at the best of times and this new plan would just exacerbate this ongoing problem.

A modern construction as proposed would completely ruin the beauty of this Bloxham site.

We are fast losing the heritage that Bloxham is famous for if we continue to allow such buildings to continue to be built.

Please don't allow this to happen before we lose site of everything that is dear to the residents of Bloxham.

Yours Faithfully,
Colin and Jackie Ilott,
The Granary,
27,Bradford Court,
Bloxham
Ox15 4RA.
