Hello Wayne,

I am reviewing the above planning application and the County would need to see some further information before responding, as follows.

- Paragraph 6.24 of the Planning, design and Access Statement notes that: *“Cherwell District Council included, as part of the pre-application service, internal discussion with Oxfordshire County Council. The District Council reported back to the applicant that there were no concerns in highways terms.”* Are you able to provide me with details?
- I can not find anywhere in the application documents any information regarding the number of additional students this proposal represents or whether it has implications for an increase in the number of staff at the site. I'd be grateful if this information could be provided.

Please don't hesitate to contact me if you wish to discuss this matter.

Best regards,

Chris Nichols
