<b>Comments</b>	<input type="text" value="I wish to object to this development for the following reasons: 1. The access is a very narrow lane where cars couldn't even pass each other. If the annexe is built there would be more traffic and not only is the lane very narrow but there is also a very sharp blind corner which would be dangerous 2. While building work is being carried there will be chaos caused by work vehicles and it will be very difficult for residents to negotiate around the Village Pond and to other narrow lanes 3. If the annex is for residential use, this would generate 2 or 3 cars, making access even more dangerous"/>
