Subject: Conservation consultation response 21/01624/F

Dear John

Thank you for consulting the Conservation Team on the above application

The application site is not within a conservation area and is not a Listed Building, however the Red Lion Public House is a grade II Listed Building. Because of the position of the property in relation to the public house and the existence of a sizeable carpark adjacent the proposed extension to the dwelling is not considered to affect the setting of the Listed Building. Therefore it is not considered necessary for the Conservation Team to provide further comments at this time.

I hope this is of assistance to you

Kind Regards
Emma Harrison
