Comments	<input type="text" value="Additional 1000+ cars going in and out of the elmsbrook estate daily - also past the school when kids will be trying to get in and out. As the school gets busier the roads will get busier causing more risk to children walking to school. It would be much better to have an additional entrance for the new estate. Or alternatively make the whole of elmsbrook accessible to drive all the way through (currently restriction between phase 2 & 3)"/>
