Comments	<input type="text" value="To whom it might concern, I am a house owner in Elmsbrook estate and I completely not agree for the access road for the buildings companies and contractors of the new house to be done via the Charlotte Avenue ,or any other nearby roads in the estate .All of these will affect our day to day life and routine.These it's supposed to be a quiet and peaceful place to leave ,but having heavy weight cars going through main roads in the estate will have an impact on our peaceful and safety daily lives.Also if the estates roads will be damaged,whom it's going to be responsible for .We are already have a lot of expenses with our ground maintenance and we don't need any additional costs added to our monthly payments. Thank you"/>
