<b>Comments</b>	<input type="text" value="I would like to register my objection to the planning of hundreds of homes adjacent to Elmsbrook, that will be using existing infrastructure. The current two entrances (Charlotte and Braeburn Avenue) can just about cope with the traffic for current residents. There's no way it can cater to 500+ Vehicles, without severely affecting queues and waiting times. The new development needs its own entrance/exit please. Thankyou"/>
