Subject: Objection: 21/01630/OUT

Dear Caroline Ford,

I'm Mr Jozsef Szelpal from 70 Charlotte Avenue Bicester OX27 8AN

I would like to strongly Object to this planning application: the conclusion that Charlotte and Braeburn Avenues will be able to cope with the massive additional traffic generated is simply wrong: there are errors/anomalies in the analysis, and the problem of bottlenecks near the school is not even considered (these are getting worse each year): the impact on the local road network will be SEVERE.

Also, Thames Water already highlighted that only maximum 47 houses can cope with current drain line.

Would you be kind to submit my objection on the paperwork please.

Thank you very much for your help.

Kind regards,

Jozsef
