<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="would like to strongly Object to this planning application: the conclusion that Charlotte and Braeburn Avenues will be able to cope with the massive additional traffic generated is simply wrong: there are errors/anomalies in the analysis, and the problem of bottlenecks near the school is not even considered (these are getting worse each year): the impact on the local road network will be SEVERE"/>
