Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Good afternoon . Well the road in Charlotte avenue leads to the school and down to a narrow road near the bridge in phase 3 and with another 274 cars travelling along there every morning and evening it will become a tail back making queues and worst of all worst for the school . There is many of disabled people in wheel chairs who use this road one being my disabled daughter . If this is past it will become very dangerous and make the eco estate a very busy place with more unfriendly petrol and diesel cars . This should not be passed . Be the worst thing done by Cherwell district council . It's a lovely friendly eco estate doesn't need this development passed !"/>
