Dear Caroline

Thank you for re consulting Sport England on the above application with revised information..

Having reviewed the submitted documentation, I have no further comments to make beyond those made on the 30th November 2021.

For Clarity

Sport England is supportive of this proposal therefore does not raise any objections to the granting of planning permission.

We would be grateful if you would advise us of the outcome of the application by forwarding a copy of the decision notice. We also be grateful if the applicants could engage with us as they build out the scheme, should they receive planning permission.

Yours sincerely,

Bob
