<b>Comments</b>	<input type="text" value="I am writing to object to the proposed development on 2 grounds: 1. it is parasitic: it appears to make no contribution to existing infrastructure (roads, schools, GPs, shops, youth club). Given the sizeable additional population being planned for, the developers should be contributing to infrastructure in measurable ways. 2. Elmsbrook is an eco-development. The proposed development will compromise the carbon footprint of Elmsbrook. If the plan was for eco-homes and included infrastructure I would be sympathetic, but the developers seem to want profit without responsibility."/>
