Proposal	<input type="text" value="Outline planning application for up to 530 residential dwellings (within Use Class C3), open space provision, access, drainage and all associated works and operations including but not limited to demolition, earthworks, and engineering operations, with the details of appearance, landscaping, layout, and scale reserved for later determination"/>
Case Officer	<input type="text" value="Caroline Ford"/>
Organisation Name	<input type="text" value=""/>
Name	<input type="text" value="Doug Torrent"/>
Address	<input type="text" value="63 Charlotte Avenue,Bicester,OX27 8AS"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Firethorn should not be allowed to violate the Bicester Eco Town Design Principle regarding building Zero Carbon homes - just to make the enormous arbitrary profit they desire; in any case, their calculations for predicting sales/costs/profit are flawed! This would open the door for the rest of NW Bicester to do the same, and then we don't have an Eco Town. I am also concerned at the lack of evidence that the traffic impact would be small enough for the roads to cope; and the lack of details regarding the impact on the District Heating System. I am also concerned that an adequate wildlife impact assessment has not been carried out as we do have a colony of bats living on the area. I quite often see them flying around in the summer evenings and would be distraught if the build would disturb these fragile creatures. Please don't allow this application to go further until all these are resolved."/>
