

Case Officer: Andrew Lewis

Recommendation: Approve

Applicant: Heyford Park Developments

Proposal: Discharge of condition 14 (Travel Information Pack) of 19/00446/F

Expiry Date: 12 July 2021

Extension of Time: 15th April 2022

1. APPLICATION SITE AND DESCRIPTION OF APPROVED DEVELOPMENT

1.1. The original permission for this application was submitted as part of a series of amended schemes that sought to provide additional housing at Heyford Park as part of the Growth Deal for Oxfordshire. As a result, the Council received 4 amended reserved matters applications, that provided the requisite number of units to comply with the original outline planning permission for Heyford Park (Ref: 10/01642/OUT), together with a detailed application (Ref: 19/00446/F) for 57 units that amended the number of units around Trenchard Circle and provided an uplift of 41 additional units above had been approved in 2011 under the outline planning permission.

1.2. In effect, application 19/00446/F obtained planning permission to develop three separate parcels of land known as Phases 5D and 8C, together with Trenchard Circle, a relatively self-contained site on the eastern fringe of Heyford Park. For clarity these are identified below.

Phase 5D

1.3. The first parcel fronts Camp Road just off the village centre of Heyford Park and is part of an island of 31 units known as Phase 5 consisting of houses and flats, and market and affordable units. Outline planning permission was granted in 2011 (ref 10/01642/OUT) and subsequently two detailed reserved matters submissions were made and approved. However, things got slightly more complicated when the site, together with other parcels at Heyford Park, were subject of a further detailed full application to intensify the scale of development as part of the Oxfordshire Growth deal.

1.4. Phase 5D is a site of 0.29 hectares and comprises of 11 dwellings located on the northern side of the internal east-west estate road of the previously approved proposals for the wider Phase 5 development, as well as on the Dow Street and Camp Road frontages. The units comprise a pair of semi-detached 4-bed units fronting onto Camp Road with a second 4-bed pair fronting Dow Street together with a detached 3-bed unit. A further 3-bed detached unit and two pairs of semi-detached 3-bed units would be located to the northern side of the previously approved internal estate road on Phase 5. The remaining 3-bed unit on this frontage, forms the western end of a terrace of 3 identical units, with the central and eastern end units falling within the proposed Phase 5C development.

1.5. Following approval of conditions, work started on site last year.

Phase 8C

- 1.6. The second parcel is on Phase 8 in the Trident area. Here the Phase 8C proposals comprise the erection of 15 apartment units, with associated landscaping and car parking on a site of 0.25hectares. All the units would be of affordable tenures, of which 9 would be 1-bed flats for rent and 6 intermediate units, of which 3 would be 1-bed and 3 2-bed. The apartments would be provided by way of two 3-storey linked apartment blocks set back from the adjacent Trident Road 3. The apartment blocks would form the southern half of a series of four similar buildings, creating a courtyard of units served by an open car parking court to the east, accessed from the adjacent road.
- 1.7. The northern apartment blocks and areas of the car parking court would be provided in conjunction with amended proposals for the adjacent sub-phase 8A of the wider Phase 8 scheme. Pedestrian access to the apartments would be taken via a series of footpaths created within the retained and enhanced open landscape areas, with access to the surrounding facilities proposed in the Village Centre readily achievable.

Trenchard Circle

- 1.8. The third parcel is in Trenchard Circle, a relatively self-contained site on the eastern fringe of Heyford Park.
- 1.9. The permission for Trenchard Circle comprises the erection of 31 dwellings with associated car parking and landscaping on a 1-hectare site. The dwellings would be located on the western side of Trenchard Circle immediately along the western and northern site boundaries, opposite the existing retained bungalows in the central part of the wider site.
- 1.10. The dwellings would be laid out via a series of detached, semi-detached and short terraced units, orientated along a linear access road running through the site. Parking for the dwellings would be provided by way of a combination of detached garaging set to the side and rear of units together with open parking to the front of other units. The proposals include the visitor parking at both the northern and southern ends of the internal road, with tree planting along the length of the road and within the open parking areas.
- 1.11. The proposals specify that the accommodation would be provided by way of three 4-bed detached units, two 3-bed detached units, seven pairs of semi-detached 3-bed units and four terraces of three 3-bed units. Of these, 29 will be market housing with 26 x 3-bed and 3 x 4-bed. There will be 2 x 3-bed affordable intermediate units.

2. RELEVANT PLANNING HISTORY

- 2.1 The following planning history is considered relevant to the current proposal:
