Dear Linda,

Having read the General Construction Environmental Method Statement Bodicote Rev B I am satisfied that you can discharge condition 10 (CEMP). I would however like to see the hours of work on the Construction Environmental Management Plan match those on the General Construction Environmental Method Statement Bodicote Rev B.

In addition as the site is next door a primary school, a good relationship with the school would be advisable for the duration of the works.

NB: Please note my new working pattern below, I will only respond on the days appropriate to the email content
Mon – Weds: Environmental Protection, Thurs – Fri: Health Protection and Compliance

Kind Regards
