Subject: 21/02177/DISC Graven Hill Development Company. Roundabout to GH and Wretchwick Green, Bicester

Hi Rebekah

Prunus don't grow well on the heavy clay soil which we have at GH. An alternative tree should be specified.

Tree sizes are far too small for a key entry point to the site.

Cornflower annuals will need re-seeding every year so are unsuitable. We don't have the budget to do this. A wildflower seed mix with perennial wildflowers should be specified.

Kind regards
Judith
