Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="There is a lot of development going on on and around Bicester. The green spaces in the 'garden town' are being lost to developers with cash. The football ground has gone to Bicester Village. I personally also feel that this also makes a mockery of Bicester being a 'health town' when it has so many drive thrus and fast food establishments. This is just not welcome."/>
