Comments	Why? If Gregg's need to open an outlet in Bicester why not a conventional shop in one of the vacant premises in the Launton Road retail park. Surely better parking facilities would me more advantageous rather than a continual flow of traffic. Local planners aren't famous for their road planning - look at the Graven Hill Roundabout of Infinity; the McDonalds/Tesco entrance and exit; and the journey to the back of nowhere for the Nike/M&S plaza. One can only foresee similar mayhem as a result of this unnecessary addition. Not to mention the excess litter this enterprise would create. No matter how well the public are educated in this matter, the attitude is usually "it's not staying in my vehicle while there are road sweepers employed".
