Comments	<p>Please, please, please do not allow the building of a Greggs drive-through on this site. Please do not deprive the townspeople of yet more biodiversity. Grant them permission by all means but insist that they occupy one of the dozens of existing empty units that are so very prevalent in and around town. This is a wanton, greedy and wholly irresponsible notion. For once in the recent history of this wonderful town, take a stand on the side of the silent - the wildlife.</p>
