Comments	What a truly ridiculous idea! Why on earth does anybody need to stop for coffee at this part of Bicester. We have disused units in the town centre, massive construction and development on the M40 side already. It seems truly absurd to put something like this here. And next to a care home?! Traffic on the ring road is already too busy. I can only imagine how bad it will get if mores cars are then diverting in this direction to get a coffee . The green spaces between Bicester and Launton are being eaten away at an alarming rate. Wildlife is suffering with the warehousing units and EWR. Please please stop this madness!
