s an employee of a construction company who frequently visits the Screwfix, Homebase and the Lidl nearby, I would welcome the Greggs drive thru. It would save me time and money as I can never find somewhere to park in the town centre in a van.

As far as I can work out, from the planning application this piece of land that is sandwiched between two industrial estates should be utilized. Currently there is an extremely limited choice for those employed in the area to get coffees and food at lunch. Unless I drive out of Bicester the other direction (south) where there is a McDonald's drive thru.
