Proposal	<input type="text" value="Variation of condition 2 (plans) of 20/02545/F - substitute the revised drawings, with minor material amendments to the consented scheme. This application is made under section 73 of the Town and Country Planning Act 1990 to vary the condition such as to seek approval for the minor material amendments proposed. The changes relate to adapting the internal layout of the main barns to suit the new owners of the site. In addition, the site works and landscape have been altered to take account of a prior approval permission to demolish a small, freestanding brick building under permitted development rights. These demolitions have not yet been carried out, but the landscaping and elevations have been adapted accordingly for the sake of completeness in this application"/>
