This department has the following response to this application as presented: 21/02417/F application received for Blue Cedar Homes re: Variation of Condition 2 (plans) of 20/03467/F - Erection of 7 one and two storey age restricted dwellings for older people (60+ years), formation of means of access, and associated landscaping

I have reviewed the application and have no further comments on the variation of condition 2.

If you wish to deviate from the suggested conditions then this should be discussed with the officer making these comments to ensure the meaning of the condition remains and that the condition is enforceable and reasonable.
