Subject: Planning responses from Deddington Parish Council - August 2021

Deddington Parish Council met last week and discussed the following applications and noted their responses accordingly:

21/02462/OBL Land West of Wimborn Close, Deddington. Discharge of schedule 2 (affordable housing scheme). This is worth the PC knowing about. There is also one objection.

Deddington Parish Council object to this application. To maintain continuity in the parish the Council asks that there is no flowerbed but that the planter is moved westward along with the Deddington sign and 30mph roundel.

Kind regards

Susan Fuller

Parish Clerk and RFO to Deddington Parish Council
