Comments	<input type="text" value="This development is absolutely ridiculous. Firstly there are services at J10 and north of J11 therefore another services is not needed. Secondly the traffic is badly congested around the M40 junction going along Hennef Way. The whole area passed Tesco and as far as the Warwick Road is a total nightmare during peak periods, and always busy during the rest of the day. We are losing so much green fields/areas so I strongly object to this."/>
