<b>Comments</b>	<input type="text" value="I object to this development die to traffic. This area of Banbury is a bottleneck of traffic and 6 miles journey already take me 40 mins on good, normal flowing traffic day. When there is a change to traffic light sequence it takes about 2hrs to get in or out of town. Adding extra vehicles on an already congested road is bad. HS2 is already causing chaos on that road, it would be a bad idea to create more chaos."/>
